*Reel*

Notes: From the playing of Arthur Smith (1898-1971, originally from Humphreys County, western Tennessee).

The 'B' part is only given once here.

Smith essentially "vamps" on the g-doublestop, returning to the last measure and a half for resolution each time.

The 'B' part is repeated at will.

Notes: From the playing of Clark Kessinger (1896-1975, Lincoln County, W.Va.) on a Galax, Va., concert tape from 1966. Kessinger perhaps confused the titles "Sally Johnson" and "Sally Ann Johnson," usually different tunes. Kessinger is a very inventive fiddler and varies each part of the tune every time he repeats it.
